

## ***\*Rolling up the Blankets and Exposing your Feet\****

<sleepy, deep, breathy voice> “Hiiiiiiii...I know you are sleeping, but that’s the whole point. I want you to sleep. At least to start.

As you are dreaming, I’m slowly rolling up that soft blanket that covers your body, exposing your feet as you are laying there face down on your belly. I’m looking at the way those panties... are just... hugging your ass. I’m doing it nice and gentle, because I don’t want to wake you. I know you need your sleep.

I’m grabbing from your ankles and slowly applying pressure as I pull down towards your toes. I separate them with my fingers, pushing through them...as if it were my cock entering your pussy. Meanwhile, my thumb is pressing on the soles of your feet...

Your head is starting to motion as if you were aware of what I am doing, but you are still fast asleep.... My hands are going back & forth, up & down, until I meet your ankles and back towards your toes again.

In between, my hands are slowly moving up towards your calves... with each little movement, I spread your legs further and further apart, but just slightly enough that you won’t wake up...they are so firm. Can you feel my thumbs riding up the inside of your thighs, while my fingers are pressing into the outside?

Your hips are awakening...I’m just about at your ass cheeks...my fingers and hands are gliding underneath your panties. Massaging your cheeks, as my thumb rolls inward parting them. Nice, slow circular motions with my thumbs, as I squeeze tighter with my fingers on those delicious cheeks...

Mmmmmm, **I’m pulling those panties down now**...you are raising those hips, acknowledging that you want them gone. Your eyes are still closed. They are just coming past your knees now...Mmm Hmmmm, down ....and down...now off of your feet. **I can’t help, but smell them** (sniffing them) **because they were just hugging your pussy...and I love that smell** (sniffing again) ...

Mmmmm, back to you now. I start back again rubbing your ass, nice slow strokes... letting you know I am the man, and I am in charge. My thumbs move up your cleft and start rubbing the small of your back ...as you let out a sigh of relief... it feels good, huh?

More circles, slow strokes. You are so small and sexy that my thumbs can actually rub along your spine as my fingertips go up the sides of your body. You are up on your elbows as I move my way towards your shoulders. Right now, I have pushed your legs apart with my own, so I am in between... You know what you are feeling... you are reaching your hand back now and start massaging my cock. As I am rubbing your shoulders, your other hand starts playing with my balls... I am not sure who likes to be touched more right now. You, where your hands are, or me, how I am relaxing you.

I start to kiss you around your neck...in your ear. You reach your head back and offer your mouth to me. We start kissing... ohhhh, those lips and that tongue, they do wonders. You kiss so passionately, as if it’s been 18 years since the last time. But we know it was just last night.

My hands can’t help but reach around and rub your breasts. They are so responsive to my touch... I love it. Ohhhh, all of this just feels so good. Oh! You just pushed me on my back.... haHahaHa (sinister laughing) ...now you are climbing up on top of me. I love it! Still massaging my cock while staring me dead in the eyes. You are straddling me. Hovering above me...you move to place me inside of you, but I grab your hips and pull your pelvis toward my face, so I can taste you before I go in.... and it is as delicious as it was yesterday and as it’s going to be tomorrow.

Mmmmmmm, (licking sound) it’s my favorite. But I also know that I can’t spend too much time here, because you want to get riding. So, off of my face you go, with one hand on my shaft you guide the head, slowly between those luscious lips. Mmmmm... your head is starting to tilt backwards. Your hand still on the shaft, you start motioning up & down, up... and down, up... and down. Ohhhh that’s feeling good... Can you feel that? Of course, you can... You are in control.

Ohhhhh I love when you start to moan. You are allowing it to go deeper as you go down. Then up....and down...and up.... Ohhhhh. Can you feel me touching your cheeks? That is the most perfectly shaped ass on this planet. (deeper voice now) Up...and down, deeper you go ...lower you go and back up... and down. Up....and down. Ohhhh, this is feeling good! You are picking up the pace a little...everything is getting nice and wet.

The head of my cock sliding along the sides of your pussy. (deep inhale) Mmmmmmm...I love when you look at me like that! You are going deeper (moaning) deeper (groaning) ohhhh, you want to take it all... I can see it in your eyes. Your legs are spreading further and further apart...ohhhhh, I am scratching your back, because I think you are insane. Your lips are getting so close to touching my skin as you go deeper ...and deeper...deeper... oh you are almost there, backing out all the way up .... Ohhhh, you just dropped your hips. Oh! You are all the way down!

*Ohhhhh, you are just sitting there, slowly making circles. I am all the way in...you know that spot I am touching. Oh! You start thrusting your hips with me all the way in you...just grinding on my cock! Oh, your hand reaches back and starts to massage my drenched balls, as you keep rolling and rolling .... Oh my God, you are crazy (heavy, heavy breathing)*

*You're starting to shake.... I am starting to shake... Who is going to cum, huh? ...Can you feel it? Oh, I don't know... I think I gotta go... can you cum? Huh? I want you to cum before me! (begging, pleading) I don't know if I am going to make it (heavy breathing) Ohhhhh.... Where are you? Are you there? Are you there?*

*Ohhhh... oh, I am going to cum. I am going to cum. I am going to cum. Oh...here I go. You start to collapse down on me. Oh, and I start thrusting inside of you, as you start cumming on me. I am unleashing my juice, squirting inside of you .... Oh, I can feel it splashing in there. I can feel you squeezing me tight. I am burying my cock deep inside of you. Ohhhhh...are you dripping on me or is that me dripping out of you? Oh.... What? I am so happy. I am so happy!"*
