

\*Thunderstorm in the Forest\*

5:36pm Tommy: I would wait until you started driving before leaning across to kiss your ear, then nibble your neck

5:37pm Tommy: You may tell me to stop, but I would think you meant not to stop

5:38pm Tommy: I would run my hand up the inside of your legs

5:38pm Tommy: Kissing and sucking on your neck. I would start to rub your pussy through your sexy panties

5:39pm Tommy: You would try to pull over, but I would insist that you keep driving

5:40pm Tommy: The windows are rolled up to keep the rain out and the car is beginning to take on the aroma of My Maxi

5:40pm Tommy: You are getting excited, and I place my hand inside your panties and begin rubbing your lips

5:41pm Maxi: **Do you want me to crash the car?**

5:41pm Tommy: Back and forth my finger slides along the slippery slope

5:41pm Tommy: **You are driving?! You said you pulled over!!**

5:42pm Maxi: No, you said I would be driving 😊

5:42pm Tommy: Oh, whew 😊 Would you like me to continue?

5:43pm Maxi: I'm still here, with you in the middle of that forest!

5:44pm Maxi: Yes, but I won't touch myself. I just read and imagine...

5:45pm Tommy: Okay. I'm doing the touching here... for now...

5:45pm Tommy: Back and forth my finger slides along the slippery slope between your legs

5:46pm Tommy: Gliding up and down, parting your lips with each motion

5:47pm Tommy: I lean further in and start to pull down your panties

5:47pm Tommy: I leave them hugging your knees, as your legs spread open

5:48pm Tommy: My fingers start to move inside of you. Moving independently around & around, slowly in & out

5:49pm Tommy: My thumb is caressing your clit and your breathing is getting heavier...

5:49pm Tommy: You reach over and start playing with my cock through my pants, rubbing it very hard

5:50pm Tommy: My pinkie starts to drift towards your perineum with the three middle fingers sinking deeper into your pussy, as my thumb circles around your clit

5:51pm Tommy: Can you imagine this?

5:51pm Maxi: Yes, I can. You get me so wet so quickly!

5:51pm Tommy: We are kissing now that you have pulled over safely and the rain is coming down hard on the car

5:52pm Tommy: The windshield is beginning to fog and the car smells like you... I wish I had that smell right now!

5:53pm Tommy: You reach your other hand over, unbutton my pants and pull out my cock. You are stroking away down the shaft and teasing the head with your fingertips at the opening

5:54pm Tommy: You pick up your leg and place it between mine, spreading your legs further, allowing more room for me inside of you

5:55pm Tommy: You take off your shirt. I lean over to taste your nipples, sucking one by one, as you stroke my cock with such passion

5:56pm Tommy: We start to kiss, again, and we continue to play with each other's Goodies

5:57pm Tommy: I have pre-ejaculate oozing from my head, as you twirl your fingertip around in it

5:57pm Tommy: You place your finger in your mouth, as I go back towards your nipples and start making my way towards your pussy

5:58pm Tommy: You grab me and tell me you want me to fuck you now...

5:58pm Tommy: I smile and then smile wider.....

5:59pm Tommy: I open the car door on my side and run around to your side with my erection bouncing in the air.... I open your door and pull you out

6:00pm Tommy: We rush to the front of the car next to the woods... I lay you on top of the hood and enter you immediately

6:00pm Tommy: The rain is pouring down over us. We are dripping wet and soaked in passion, as we pump away...

6:01pm Tommy: The hood of the car is flexing from the pounding and it's only going to get worse

6:02pm Tommy: Your legs are wrapped around my hips, pulling me deeper inside of you. My hands are pulling you down by your shoulders, pulling your pussy against my cock, as I drive it deeper inside of you

6:03pm Tommy: Your back is arched, and nipples are back in my mouth, as I bite and suck on them...

6:04pm Tommy: My cock is driving deep inside of you. Your ass and hips are pumping upward begging for more...

6:04pm Tommy: Your fingernails are running up and down my back leaving long trails of scars and turning me on...

6:05pm Tommy: You remember that I like to have my nipples sucked and once you start, I suddenly freeze...

6:05pm Tommy: My body gets tense

6:06pm Tommy: I place myself as deep as I can go inside of you, and start to move in circles around & around your cervix...

6:06pm Tommy: The more I press, the harder you suck...

6:06pm Tommy: I could do this all night...

6:07pm Tommy: You break free of my nipple, and I start pumping, again, as your head falls back towards the hood...

6:07pm Tommy: I love the feel of the cool rain, as my cock glides in and out of your hot pussy

6:08pm Tommy: I can feel your inner lips peel back as I withdraw and then they suck me back in again

6:09pm Tommy: I grab your ankles and place them up next to your ears...

6:09pm Tommy: Now I have full, complete penetration and want to cum deep inside of you...

6:09pm Tommy: Do you want me to cum inside of you?

6:10pm Maxi: **Yes please!!!!**

6:10pm Tommy: As I push and push, I can feel my balls starting to tingle and we know what is coming next...

6:11pm Tommy: I ask you if you are ready and you say yes...

6:12pm Tommy: I lean down and start kissing you, as my cock begins throbbing and unleashing all of my cum inside of you... You flex your body and scream out that you are cumming. Lighting is not only flashing around us, but inside of us.

6:13pm Tommy: Our kisses have slowed, and we are smiling between tongue wrestles... our eyes are squinting, but open. We are looking into each other's souls...

6:14pm Tommy: You say you ❤️ me, as I smile and say I ❤️ you, too! We stay on the hood with me inside of you for several minutes kissing and still moving our hips... We are soaking wet, but so in the moment it that it does not matter... We have each other...
